## Men's Summer Suits Ready-to-Wear Reduced to \$22

Formerly \$40, \$35, \$32 and \$30.

Some of the most desirable suits we have had this season; neat, dark, fancy mixtures, superbly tailored and distinctively styled. Every suit was splendid value at the \$40, \$35, \$32 or \$30 price, which it has carried

The only reason for these reductions is the necessity for weeding out and disposing of broken lots-for despite the fact that they have sold so well, we cannot duplicate them
—so in order to keep our stock at this, our newest and handsomest store, in perfect shape, we have reduced them to \$22.

And to any man or young man who can possibly use a fine summer suit, this offering presents an unusually good opportunity.

with this record of consistent policy and raithful service the Republican parity can rest with confidence on its title to command the approval of the American people. We have a right to say that we can be trusted to preserve and maintain the American system of free representative government handed down to us by our fathers. At our hands it will be no empty form when the officers of the national Government subscribe to the seigmn oath required of them by law: That I will support and defend the Constitution of the United States against all enemies, foreign and domestic, that I will be far true faith and allegiance to the same. We shall not apologize for American institutions. We cherish with gratitude and reverence the memory of the great men who devised the American constitutional system—their unselfish patriotism, their love of liberty and distile, their love of liberty and distile, their love of hierry and institute which had wrecked all preceding attempts at popular government, their breadth of view which adapted the system they devised to the progress and development of a great people.
